Dear Mr

**Freedom of Information (Scotland) Act 2002**  
**Request for Information - Perthshire G8 CD-ROM**

Thank you for your request for information in the above regard dated 13<sup>th</sup> April 2005

The information you requested was:-

The name of the company the tender deadline was changed for. The reason the same company was allowed to influence an extension of the deadline. Any relevant documentation.

I am advised that Connect Communications requested an extension to the original deadline.

After taking appropriate advice, and wishing to maximise the number of proposals received, each of the companies who had indicated that they intended to submit a proposal were contacted regarding the possibility of extending the deadline.

All of the companies indicated that they were agreeable to the deadline being extended. Subsequently, all but one company took advantage of the extended deadline.

I am informed that the initial discussion to extend the deadline was verbal (by telephone), followed by an email to confirm the situation. As such, the only documents available are the emails sent on the 21<sup>st</sup> December 2004 to confirm the new deadline of 12 noon on Friday 24<sup>th</sup> December 2004. Please find copies of these attached.

Please also find enclosed a leaflet which explains your right to complain/request a review of the Council's decision in respect of your request for information.

Should you require any further explanation or assistance please contact me at the above number at your convenience.

Yours sincerely
